I am delighted, that after an absence of four years, Llancarfan will once again hold a Village Show and I would like to thank all those who have worked hard to organise it.

I am grateful for the support of Patrons and Advertisers. Special thanks must go to Admiral Insurance who donated funds to enable us to print our Schedule. Thanks should also go to the Show Judges who volunteer their time and to the stewards and helpers on the day – all of whom work hard to ensure that the Show is a success.

A show needs a venue and I should, therefore, like to express my appreciation to St Cadoc's Church PCC for the use of the Church; Llancarfan Community Council for the use of the churchyard; and the LDCA for the use of the Village Hall.

I very much hope that you will show your support by entering as many classes as possible or simply by coming along on the day and joining in the fun. What better way to round off the summer.

Gordon Kemp – Chairman – Llancarfan Society.

Helpful Hints

Always read the description of the class you are entering carefully.

To ensure that your items, plates, vases, etc. can be identified please put your name on the underside of the item – it must not be visible. No china etc from the hall may be used, so all containers must be brought with you. Please use the correct size of holder for the exhibit, i.e. do not place small tomatoes on a 10" cardboard plate.

Conformity of size and shape for vegetables is better than different sizes. Tomatoes should be picked carefully at the knuckle. Carrots and beetroot should have approximately 2" of stalk left on and they may be bound with raffia.

All items may be displayed on appropriately sized plates or black paper/cloth. The use of rings to balance fruit and vegetables is permitted.

The only flowers or foliage which may be purchased are those used in the Flower Arranging classes.

ALL other flowers and foliage must be from your own garden.

Classes 40-43 – jams etc should be up to the neck of the jar. If using a metal lid it does not need a wax circle. Jam pot covers need a wax circle. Chutney should have a metal lid or the special cover which is made especially so that it is not corroded by the vinegar. Victoria sponges should have a filling of raspberry jam and the top of the cake should not be placed on the cooling rack.

Flower arrangement – note the comment for each class as the interpretation of the title is just as important as the construction of the arrangement. If using flowers of the same colour you need a variety of shapes and textures, i.e. roses, daisies, etc. Remember that the container is part of the arrangement and should be reflected in the colour of flowers/foliage; black is neutral.

Photographs may be placed on a card mount slightly larger than the print – but no frames with glass are permitted – as these can be broken and cause a health hazard. Signatures on paintings must be covered in someway.

Set in the centre of the picturesque village of Llancarfan, *The Fox and Hounds* is a country inn and gastropub with bar, award-winning food (*Cardiff Life Awards* 'Best Gastropub' 2018), and guest bedrooms. It has a large covered terrace area which is perfect to enjoy a chilled glass of wine or beer on a summer's evening.

FOOD

Winner of the Cardiff Life Award 2018 for 'Best Gastropub', *The Fox* has a menu based on fresh ingredients that are as locallysourced as possible and lovingly prepared in-house.

BAR

The recently refurbished "Harry's Bar" is well-stocked with a variety of drinks, including local ales and carefully-selected wines. The area is dog-friendly, meaning you're more than welcome to dine in the bar area with your four-legged friend.

ROOMS

All 8 of the ensuite bedrooms have feather and down duvets, crisp white linen, waffle bathrobes, freshly ground coffee and teamaking facilities plus homemade biscuits for you to enjoy.
